**MOTION TO IMPOUND COMPLAINTS, WARRANTS, AND AFFIDAVITS**

The United States of America, by and through its attorneys, Michael L. Levy, United States Attorney in and for the Eastern District of Pennsylvania, and Nancy Beam Winter and Stephen A. Miller, Assistant United States Attorneys for that District, move that the complaints, warrants (arrest and seizure), and affidavits (in support of arrest and seizure warrants), and corresponding docket entries in the within criminal proceeding be impounded, and, in support thereof, alleges that if the existence and content of these documents are made public prior to the arrest of the defendants there is the risk that the safety of victim/witnesses may be jeopardized, that the ongoing investigation may be compromised, and that the defendants will flee, thereby hindering the execution of the arrest warrants.

WHEREFORE, the government respectfully requests that this Court enter an order directing that the complaints, warrants (arrest and seizure), and affidavits (in support of arrest and seizure warrants), and corresponding docket entries, in the above-mentioned case be IMPOUNDED and be retained in the custody of the Clerk of Court until further order of the Court or until notified by the United States Attorney, or his representative, that the defendants have been arrested, except for two certified copies of the warrants to be provided to the United States Marshals Service, and that the government's representatives be allowed to provide copies to the Republic of Slovakia,

representatives of Interpol, and/or other parties incident to securing the extradition of any defendants. The government further requests that the Clerk of Court be directed to make no public docket entry of the sealed documents and motion and order to seal, and to provide copies of all sealed documents only to, Assistant United States Attorneys Nancy Beam Winter and Stephen A. Miller, until further order of the Court or until notified by the United States Attorney, or his representative, that the defendants have been arrested.

Respectfully submitted,

MICHAEL L. LEVY  
United States Attorney

Nancy Beam Winter/Stephen A. Miller
